Cut yarn leaving a piece approx. 25cm long, carefully snip off the sequins, then pull through the remaining stitches

and secure. DO NOT CUT THREAD (this is one half of the centre of the flower).

#### Making up:

With rs facing, lay both pieces with the centres together. The top curved left edge overlaps the bottom left curved edge (creating a double thickness). The bottom curved right edge overlaps the top right curved edge (creating a double thickness). Using the yarn left from securing the gsts sew the front 2 sections together at one side, then repeat for the other side. You should now have a flower shape. Sew on button and brooch back. Sew in ends.
